

PRESS RELEASE Immediate

May 12, 2015

SAJONIA Estate Coffee S.A. Located in Matagalpa, Nicaragua, has selected Exportadora Agricola Nicaragüense S.A. (XAGRO) to handle exports of the companies quality Arabica coffees.

For over 14 years, SAJONIA has been producing some of Nicaragua's highest quality Arabica coffees which are grown in the mountains surrounding Matagalpa, the coffee capital of this Central American Country.

SAJONIA Estate Coffee is currently exported to Countries around the world including the United States, Japan, Dubai and others. XAGRO will be responsible for expanding the market of the companies green coffee, and to also introduce the new line of premium 100% Arabica roasted coffees.

Ronald Ehli, CEO of XAGRO stated “we are extremely excited about entering into the fascinating world of coffee exports and that working with a high quality, well known company of SAJONIA's caliber will make our learning curve easier and faster”. The general manager of SAJONIA, Gustavo Valenzuela, also expressed his optimism saying “working with an export company with such a good track record, name recognition, and energy will be beneficial to our stakeholders and customers”.

About Exportadora Agricola Nicaragüense S.A: XAGRO is a leading exporter of tropical roots, fruits, and coconuts grown in Nicaragua. Established in 2010, the company has continually grown and was awarded “Exporter of the Year” in 2012 by the Association of Producers and Exporters of Nicaragua (APEN). Web site: www.xagrosa.com

About SAJONIA Estate Coffee S.A.: SAJONIA has been producing high quality Arabica coffees for over 14 years. With their own processing facilities located in Matagalpa, they are in control of the coffee's quality along every step of the process, from field to market.
